

SEK Multi-County Health Departments

Allen, Anderson, Bourbon, and Woodson Counties

WHEN SHOULD I STAY HOME?

- After you have been tested for COVID-19, until told otherwise by the County Health Department
- If you have been in close contact with a confirmed positive COVID-19 case, until told otherwise by the County Health Department
- If you are feeling sick
- If your Doctor or the County Health Department has instructed you to do so

WHEN SHOULD I GO BACK OUT IN PUBLIC AFTER ISOLATION OR QUARANTINE?

- When you have been instructed to do so by your County Health Department

HOW LONG COULD MY ISOLATION OR QUARANTINE LAST?

- If you are in isolation because you were tested **POSITIVE** for COVID-19, your isolation time is a minimum of 10 days after onset of symptoms or testing date (if onset unclear or asymptomatic). You can be released from isolation after fever free and asymptomatic for at least 72 hours. Release from isolation is up to the County Health Department.
- If you are a household contact of a positive COVID-19 case, you must quarantine for a minimum of 24 days. Release from quarantine is up to the County Health Department.
- If you are a non-household contact of a positive COVID-19 case, you must quarantine for 14 days from the date of last contact with the positive case. Release from quarantine is up to the County Health Department.

You may contact your County Health Department by calling:

Allen County: (620)365-2191

Anderson County: (785)448-6559

Bourbon County: (620)223-4464

Woodson County: (620)625-2484
